A MEDICAL REVOLUTION? THE WORLD UNANIMOUS

HOLLOWAY'S OINTMENT THE GREAT COUNTER IRRITANT

The virtue of disease often makes its way to the internal organs through the pores of the skin. This penetrating Ointment, melting un-der the hand as it is rubbed in, is absorbed thro the same channels, and, reaching the sent of in-flamation, promptly and invariably subdues it, whether located in the kidneys, the liver, the lungs, or any other important organ. It pene-trates the surface to the interior, through the countless tubes that communicate with the skin as ammer rain passes into the fevered earth, diffusing its cool and regenerating influence.*

In cases of the fracture of bones, injuries caused by steam explosions, Buusses. Bunns, Scales. REGULATISE, STEPPNESS OF THE JOINTS, and C utraction of the sinews, it is employed and warmly recommended by the faculty. This marvelous remedy has been introduced by its inventor in person into all the leading Hospitals of Europe, and no private household should be without it.
